QUESTIONNAIRE COMPLETION
FOR EACH ENROLLED PREK
STUDENT**

Spring Is Here

The trees are budding, the flowers are blooming and so are our PreK students. The seeds have been planted, their confidence is growing and their little minds are blooming with knowledge acquired during the school year. We have had such a good time with your children this year: it is hard to believe our year is rapidly coming to an end.

Don't Forget...Earth Day

Celebrate Earth Day, April 22nd, and teach your child these save the earth activities:

- Pick up litter on a walk
- Recycle newspaper, cans, and bottles
- Conserve water
- Turn off lights when not in use

Yummy in My Tummy:

Good nutrition helps our bodies stay healthy and strong.

Monica Marr with the Illinois Nutrition Education Program has provided us the opportunity to learn that cooking can be just as enjoyable as eating!
